

PREACHING SALVATION

Preaching Salvation by James Watkins is a collection of thirteen sermons actually preached on the program. Brother James Andrews with Publishing Designs of Huntsville, Alabama had the sermons transcribed from the tapes and then published without editing into the book.

Those of us who know James Watkins are very much aware of the fact that he preaches without notes. In fact, we get requests each week for written copies of the sermons. Of course, there are none.

The book may be used for a quarter of classroom teaching as well as your own personal study of God's Word.

Hard back \$14.95 (50% goes to church library; 20% goes to preachers {one copy}). Paper back \$8.95, please phone for information on quantity discounts (please email for quote) preachingthegospel@alltel.net.
